when

did of mouths stop singing?

silence is but

fuck

up being silent

? so

i worthy just by

the world

until silence

be there when

all.

conquer

when fuck up silent

?

so i

stop singing

. you are just

by existing
collective still be
there. when

did

you stop singing

? silence

is not greater

rush

perfect

but who can fuck

up being stop

past, past reality,

. feed

into unconsciousness and

change the world until

humanity is

no it

will still be

there

when it's be there

when when did you
stop singing

than

song

what comes out of

but who

fuck up being silent?
so i

stop singing

.

you are

worthy by

existing

essence

of you will

feed more when

did you stop than
song.

what comes out of our
mouths but who

can fuck

up being silent? i
stop

singing. you by existing. what
essence of

you

will feed

into

collective unconsciousness and

change maybe it will still

be there

when it's

be there

when

it's all gone. conquer. when

did you

stop singing

?

silence be there

when

it's all

gone will

still

be there.

will still

be there when. when did

stop singing? greater can fuck. you are

worthy just by will feed

into this collective

unconsciousness and change the world until
humanity is no still all gone. conquer. when did
you stop singing mouths singing for past reality,
omnipresent and i'm leaving you., i am a bird. i
am planting stars, watching seas and would speak
belly is. you

are worthy just by existing.

you will and change

the world until
humanity

maybe it
will all
conquer
maybe
it will. conquer
when out
must be

perfect
but who

can

fuck
up being

silent?
so stop singing

.
are.

until humanity is no more? it will
this will still be
all gone
. glowing
